Greetings Supporters and Prayer Partners,

Thank you all for your tender prayers. We would like to praise the Lord for the meetings that we have had this third quarter of 2025.

God has allowed us to safely traverse these United States from, literal, coast to coast and nearly everywhere in between. We have been able to see friends from college that we have not had the opportunity to go see. We were also able to go to a lot of National Parks and see some of the forests and fauna of the in Washington, Oregon and in the Dekotas.

One of my favorite parts of this quarter was spending two weeks in Camp Chetek as their missionary of the week. We were there for the last two weeks of camp and were able to minister to both teens and juniors. At the end of each weeks I got to pray with a whole group of kids that felt like God was calling them into the mission field. It was at a Christian camp that I surrendered to go to Japan. My prayer for those weeks was that those kids were making the same decision I made with the same sincerity that I made those 13 years ago. It warms my heart to see a good 35-40 kids be willing to surrender to reach the world for Christ.

This next quarter we have quite a few missions conferences and churches to visit. Please continue to pray that these conferences are fruitful and that from them we are able to be supported.

I am so thankful for the lessons God teaches us as we walk along life's journey. Please continue to pray with us as we are starting to get more support and more meetings. Thank you all once again for your prayers and support.
