Greetings Supporters and Prayer Partners,

Thank you all for your tender prayers. We would like to praise the Lord for the meetings that we have had this second quarter.

Over the course of the summer into the fall, there have been many little blessings that come our way. Whether it is seeing someone from the past, catching up with old friends, or an encouraging word from a church member, we gather a little more drive to continue what God has called us to do. In the beginning part of September, we were privileged to spend time in Clio, Iowa with Pastor Joshua and Alicia Apple. Mrs. Apple grew up in Japan as a missionary kid in Teshio, Hokkaido. The time we spent talking about Japanese culture and language was an encouragement to me to continue learning Japanese and about the Japanese people.

We do have an exciting announcement. We officially have our website up and running. It has everything from information about us, including our testimonies and Doctrinal Statement, to information about Japan and what the Japanese people believe. Please check out our website. The link is in the contact information below.

I am so thankful for the lessons God teaches us as we walk along life's journey. Please continue to pray with us as we are starting to get more support and more meetings. Thank you all once again for your prayers and support
