Greetings Supporters and Prayer Partners,

Thank you all for your tender prayers. We would like to praise the Lord for the meetings that we have had this second quarter.

Over the last few meetings that we have had, one challenge that I have to face is communicating our heart for Japan to kids. Whether we are presenting in a Christian school or at a Christian camp, my wife encourages me to share similarities and differences that a 1st grader would understand. A first grader may not understand what I am talking about when I mention the religious climate of Japan or how many millions of people in Japan have not heard the Gospel, but they do understand that kids in Japan go to McDonalds. Japanese kids play sports and games like we do here. Japanese kids need to hear about Jesus like they do. Finding this approach to sharing our burden for Japan has helped me ready my mind for being in Japan. Yes, the culture is very different. Yes, the language is very different, but what is the same is that they are sinners just like I am. They are headed towards hell, just like I was. Jesus died for them, just like He did for me. So, Language and Culture aside, we are more alike than I previously imagined.

I am so thankful for the lessons God teaches us as we walk along life's journey. Please continue to pray with us as we are starting to get more support and more meetings. Thank you all once again for your prayers and support
